

Parent Permission Form

Dear Parents/Guardians:

Your child has expressed an interest in interviewing and applying to be a part of East Garner Magnet Middle School's S.W.A.T. team. If you approve, please read these conditions carefully and sign below. Please have your child complete the SWAT Team application. The questions should be answered independently.

I understand that, if my child is selected for the SWAT Team, after-school meetings may be necessary. I can provide transportation home from the meetings no later than 5:00 pm and will be there to pick him/her up. Failure to pick up students may result in dismissal from the team.

I understand that my child may occasionally be asked to assist with a computer-related activity during school hours with permission from the teachers on his or her team. Any work missed would be the responsibility of the student to make up.

I understand that the SWAT Team is an extension of the regular school day and is enrichment to the state and local technology curriculum. All student activities will be under the same rules, regulations, and restrictions as other school activities. Students who do not adhere to standards of behavior during the school day or after school may be dismissed from the SWAT Team.

My child, _____, has permission to apply and interview for the East Garner Magnet Middle School SWAT Team. I have read and accept the conditions that apply to membership on this team.
