Descriptions:

Community Support/Mobile Unit-These students dedicate time on weekends to bring their knowledge of technology to the community.

Student Support Team/Computer Buddies-These students help the younger students learn how to use the computers and the programs on the school network.

Teacher Support Team/Internet Researchers-These students assist teachers with Internet searches at home and at school. Each teacher and specialist has an Internet Researcher assigned to him/her.

Web Management Team-These students design, develop, and maintain the School or SWAT Web Site. Web sites will be created for organizations in our community and for our teachers.

SWAT Central Unit-These students learn new technologies, e.g., video conferencing, blogs, podcasting and multi-media productions, and share this information with the staff. They also help teachers maintain computers.

Technology Instructors-Technology instructors will hold parent classroom training sessions in Microsoft office and web design. Some classes may be held on-line in Blackboard.

Please attach a separate sheet with your responses to these questions:

1. Why is technology so important?
2. List your favorite software applications.
3. List ways that the Internet can be used to help students and teachers.
4. What would you do if the computer or printer had problems?
5. What would you like to see on a Home Page for our school?
